VAULTED CEDAR · BRICK · LIGHT

An open great room that lives like a lodge and entertains like a resort

At the heart of the home, kitchen, living, and dining share one soaring space beneath vaulted tongue-and-groove cedar ceilings. An oversized brick fireplace with a real wood-burning insert anchors the room, a loft gallery overlooks it all, and walls of glass pull the Okanagan light — and the vineyard outlook — inside. The main living area offers four bedrooms plus a den and three full bathrooms, including two main-floor bedrooms with pool views, one with its own full ensuite.

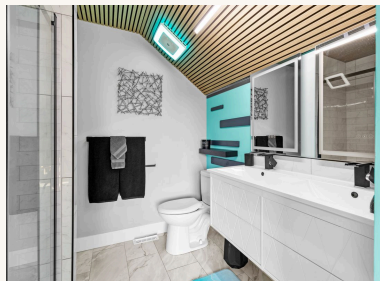

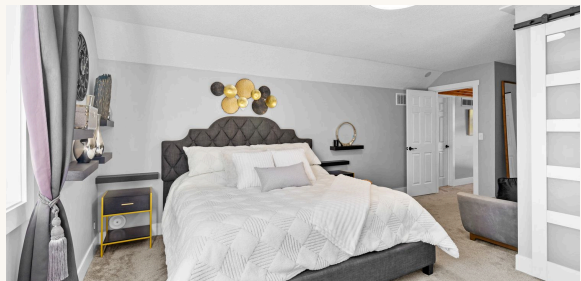

THE PRIMARY RETREAT

Pool views, a walk-in closet, and a spa-calibre ensuite

The primary suite overlooks the pool and pairs a large walk-in closet with a fully updated ensuite — frameless glass shower, double vanity, and backlit mirror detail.

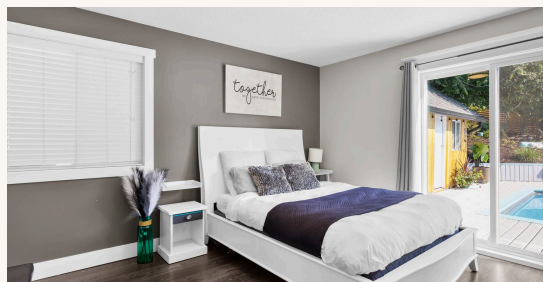

- Updated ensuite with frameless glass shower
- Large walk-in closet with built-in organizers
- Designer main bath doubles as pool-side change room
- Two fireplaces · central A/C · forced-air heat

OUTDOOR LIVING

A covered veranda, an outdoor pool, and a road that ends here

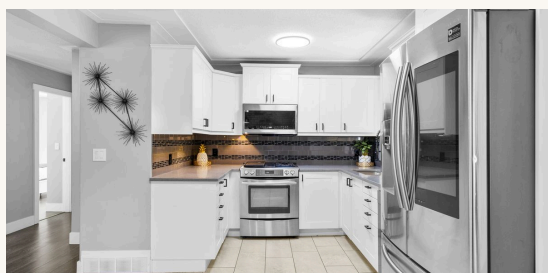

Set on 0.34 acres along a quiet no-through road shared by just three properties, the home opens to a full-length covered veranda strung with lights and framed in greenery — dining, lounging, and grilling zones overlooking the pool, with mountain and vineyard views beyond.

THE INCOME ADVANTAGE

Two self-contained suites, \$3,500+ per month

Downstairs, a legal two-bedroom suite and a separate one-bedroom in-law suite — each fully self-contained — currently generate more than \$3,500 per month, a serious mortgage helper or multi-generational solution.
